Dear Parent/Carer,

Re: Grade Indicator (GI)1 Examinations – Year 12

We are writing to inform you about the upcoming GI1 examinations for Year 12, which will take place from **Monday 30th November to Friday 4th December 2026**.

These examinations provide an important opportunity for students to demonstrate their progress during the first term of sixth-form study and develop the examination skills required for success at A level and in other Level 3 qualifications.

The results will contribute to students' school reports and help teachers identify strengths, areas for development and any additional academic support required.

Examination Arrangements

Year 12 students will sit their examinations under formal examination conditions in the school hall.

- Students will normally complete **one examination paper per subject**.
- All exams will last for 1 hour and 30 minutes.
- Some subjects may have an additional paper where appropriate.
- Examination durations will vary depending on the subject.
- All Year 12 examinations will take place in the morning.
- Students will attend their normal lessons during periods 3–5.

Individual examination timetables, including dates, start times and paper durations, will be shared with students in advance.

Supporting Your Child

Please encourage your child to revise regularly, complete preparation tasks set by teachers and maintain excellent attendance throughout the examination period.

Students should arrive punctually, fully equipped and ready to follow formal examination expectations.

Thank you for your continued support.

Yours sincerely,

Mr A Fernando
