8th September 2026

Dear Parent/Carer,

Year 11 Grade Indicator (GI) Progress & Support Evening – 15th September 2026

Following the Year 10 Grade Indicator (GI) assessments, we would like to invite you to our Year 11 GI Progress & Support Evening on Tuesday 15th September, from 3:00pm to 6:00pm, at school.

Your child's Year 10 GI assessment outcomes show that they have not yet performed at the level we know they are capable of achieving. We would therefore like to meet with you and your child to review their performance and agree the support needed to help them improve in the next GI assessments.

During the meeting, you will have the opportunity to:

- Review your child's Year 10 GI performance and key areas for improvement
- Meet with a member of the pastoral team and/or Senior Leadership Team (SLT)
- Explore any barriers that may have affected their preparation or performance
- Discuss the academic and pastoral support available in school
- Consider practical ways to support learning, organisation and revision at home
- Agree clear next steps to help your child perform more strongly in the next GIs

The meeting will be supportive and focused on what can be done now to improve your child's performance. Together, we will identify the actions and support needed before the next GI assessments.

Meetings will last approximately 15 minutes. When completing the response form using the QR code below, please indicate the time slot(s) that would be most convenient for you. This will help us plan appropriate staffing throughout the evening and ensure that sufficient members of the pastoral and Senior Leadership Teams are available.

During your selected time slot, you will meet with an available member of staff. Meetings will operate on a rolling, first-come, first-served basis within each time slot. This approach is designed to keep waiting times to a minimum while allowing us to give each family a focused conversation about their child's progress and the support required.

Please scan the QR code below to indicate the time slot(s) you are able to attend. Where possible, please select more than one suitable time, as this will help us manage appointments effectively and minimise waiting times.

There is still significant time for students to make strong progress in Year 11, and we greatly value your support in helping your child achieve the best possible outcomes.

If you have any questions ahead of the evening, please contact Mr Campbell (Head of Year 11) via the school.

Yours sincerely,

Mr Campbell

Head of Year 11
