Dear Parent/Carer

I am writing to inform you that your child has been selected to participate in a focused Maths intervention group this term. This decision has been made to provide targeted support for students who were identified as being below the expected level at the end of last year's exams.

We are committed to ensuring that all our students reach their full potential, and we believe that this intervention will greatly benefit your child. Your child will be in a group led by either Ms Hegarty (Head of Maths) or Mr Finn (Deputy Head of Maths). We will work closely with the students to enhance their understanding and skills in Mathematics.

The goal of this intervention is to prepare your child for the higher GCSE Maths course. We believe that with the right support and guidance, your child can make significant progress.

If you have any questions or would like to discuss this further, please contact dhegarty@bishop.towerhamlets.sch.uk.

Thank you for your understanding.

Yours sincerely,

D Hegarty
