7 Ignatius Visit to Congregation of Jacob Synagogue – Tuesday, 26th November

Dear Parent/Carer,

During Period 3 on Tuesday, your child will be visiting a local Synagogue with the RE Department.

The Congregation of Jacob Synagogue was founded in 1903 and is one of the only surviving places of worship of its kind in this part of the East End. It is very local to us, located at 351-353 Commercial Road.

During the visit, the students will explore the building and learn about the history of Judaism and Jewish people in Tower Hamlets.

We will be leaving school at 11:10 and returning at 12:10. We will be walking to the synagogue and the journey will take less than 5 minutes. Mrs Englefield, Head of RE and I will be accompanying the students throughout.

Should you need any further information or would like to withdraw your child from this trip please don't hesitate to contact me at media@bishop.towerhamlets.sch.uk

Yours faithfully,

James Johnston

Chaplain and Communication Manager
