Dear Parent /Carer,

Achievement and Communication

As part of our ongoing work to celebrate success at Bishop Challoner we are reviewing our media permissions.

In the coming months and years, we will utilise our communication channels (parent letters, school newsletter and social media) to encourage and reinforce: academic excellence and effort, acts of kindness, diversity and inclusion, charitable giving, extra-curricular opportunities and much more.

We commit to upholding the highest standards of safeguarding practice in this regard and will ensure that only first names are included for the purpose of celebrating success. We will not use the images of students where safeguarding measures are in place.

As we continue to improve as a learning community we hope you will join us in celebrating the many achievements of our amazing students.

If you do not give permission for images/videos of your child to be used for the purposes outlined above, please contact our safeguarding team at dsl@bishop.towerhamlets.sch.uk

Yours sincerely,

Mr. A Hall
