HOMEWORK INSTRUCTIONS

Homework is set on the day shown above and due in on the same day/lesson in the next timetable cycle.

For example: Science homework set on Monday Week A is due Monday Week A (2 weeks later).

How to use this booklet

Organise, record and hand in your homework

STEP 1

Homework is set

Your teacher will give you homework on the day laid out on the homework timetable. This booklet will help you to organise your homework and will allow parents and carers to support you at home.

STEP 2

Record the due date

Your teacher will then give you a due date. It will be your responsibility to record the date in the box provided.

STEP 3

Hand it in

Due date: on the day it is due, you will hand in or submit your homework. Your teacher will then mark off whether you have completed the homework.
